

Professional Rotary Trimmer

Versatile and affordable, the Professional is used extensively for cutting 12" to 54" film, laminated materials and digital media output from image setters and plotters. Ergonomic die-cast steel housing over the cutting wheel is operator safe.

- Heavy-duty use
- 9 sizes from 12" – 54"
- Maximum cut depth up to 3mm
- Cast zinc metal head and end frames
- Twin guide rails completely eliminates cutting head swivel
- Silent-glide cutting action
- Self-sharpening Sheffield Steel cutting wheel
- Gridded baseboard ensures accurate placement of work
- 5-year guarantee

The Professional*Technical Series***Technical Rotary Trimmer**

The Technical series is the top of the line solid metal cutter that combines the lightness of touch with industrial strength cutting power. The Technical will slice effortlessly through almost any flexible sheet material up to 4mm thick. These versatile cutters are equally at home with thin films and foils due to the unique self-adjusting triple roller cutting head.

- Extremely heavy-duty use
 - 7 sizes from 26" – 100"
 - Maximum cut depth up to 4mm
- All-metal construction ensures extreme robustness
 - Self-sharpening Sheffield Steel cutting wheel
 - Heavy-duty 1 1/4" stainless steel guide rail
- Triple-head roller mechanism for extremely heavy-duty work
 - Auto-lifting clamping mechanism
 - 5-year guarantee

Power Technical Rotary Trimmer - PowerTech

The PowerTech shares all the same great features of the Technical Series in a powered version. The cutting head is motor-driven by a steel-reinforced belt, via a foot operated pneumatic switch, leaving both hands free for speedy re-positioning.

- Extremely heavy-duty use
- 7 sizes from 26" – 100"
- Maximum cut depth up to 4mm
- All the features of the Technical Series in a powered version
- Machine is operated via a foot pedal, leaving both hands free
- Electrically driven through a steel reinforced belt for longevity
- Normal (0.5M/s) and optional High Speed (1.0M/s) options
- Proven high reliability construction
- 12-month guarantee
