

Perfmaster Sprint

An easy-to-use machine for accurate high-speed perforating and scoring.

The Count™ PerfMaster Sprint is a simple-to-use top-feed perforating and scoring solution that gets the job done quickly – with speeds of up to 12,000 sheets (8-1/2" x 11") per hour.

You can easily set up for a wide range of paper stocks, and switch from perforating to scoring in seconds. You get 6 different interchangeable perf options including microperf. Top friction feed allows you to produce thousands of sheets per hour.

- Removable receiving tray and side rails make for easy mobility and tabletop use.
- Quickly change from perforating to scoring in just seconds.
- 18" wide paper feed capacity.
- Easily set Perf/Score depth control.
- Feeds single sheets, coated stock or multi-part open or glued edges.
- Magnetic paper stops on the receiving tray can be easily adjusted depending on the size of the paper.
- Optional support stand available for easy mobility.
- Side rails on the paper feed table are easily adjustable for various paper sizes.
- Red emergency stop switch for easy job cancellation.
