Akiles® AlphaCoil-E All-In-One Electric Coil Binding System

The Akiles AlphaCoil-E Electric Coil Binding System is an all in one electric coil punch and inserter that offers professional production of bound books quickly and easily. Capable of punching up to 20 sheets of 20lb paper per lift, this sturdy machine delivers a high output performance with a small footprint, making it ideal for office and small print shop

use. Foot pedal controlled, the AlphaCoil-E assures the user complete control of the binding

operation. Die pins can be disengaged for punching different paper sizes with a clean smooth punch. The AlphaCoil-E also provides additional versatility with side margin control and depth margin control. A full-size coil inserting roller improves binding efficiency, while each machine is equipped with a premium coil crimper and crimper holder.

AlphaCoil-E Standard Features

All Electric Operation: Powerful punch motor & full-size coil inserting roller will greatly improve binding efficiency, while saving time & money.

Fully Disengageable Pins: Each punching pin can be individually pulled & disengaged, for a clean & professional punch for multiple paper sizes.

Includes Foot Pedal Switch: Allows the free use of both hands, granting the operator complete control of punching & inserting, greatly reducing errors & misalignments. A manual push button for punching is also available

Electric Coil Inserter: Full size roller improves binding efficiency, while saving time & money.

Operation Mode Switch: Toggles between Punching & Inserting modes for the foot pedal.

Manual Punch Button: Allows the operator to choose their preferred method of operation.

Free Crimper & Crimper Holder: Each machine includes a premium coil crimper & built-in crimper holder for easy access & storage.

Depth Margin Control: Adjusts to the correct punch margin depth for each coil size.

Side Margin Control: Adjusts for an evenly centered punch for multiple document sizes.

Anti-Dust Cover: Keeps the inside of the machine dust free when not in use.

Waste Drawer.
