

## FlexiPunch E Modular Punch

FlexiPunch-E is a versatile modular punching machine with an affordable price that gives you the binding options you need in everyday work. You can do a coil binding job, and minutes later squeeze in a wire or comb binding project using the same primary punch. The high-quality precision die sets available with this machine will last for years of production. One die of your choice is provided with the unit.

### Features include:

**Quick Die Change Design:** Easily change from one punch pattern to another within seconds, no tools needed

**Fully Disengageable Pins:** Each punching pin is easily disengageable, guaranteeing a clean punch for any paper size

**Choice of 4 Die Sets:** Coil 4:1 • Wire 2:1 • Wire 3:1 • Comb

**Adjustable Depth Margin:** This key feature provides an optimal depth margin for each book thickness.

**Heavy Duty Motor and Gearbox:** Provides more than enough punch power for all die sets.

**12" Single Punch Length with Open Ends:** Enables easy punching of letter or A4 sizes and longer sheet sizes.

## FlexiPunch E Heavy-Duty Electric Modular Punch with Interchangeable Die Feature

*Up to 20-25 sheets of 20lb. paper per cycle*

## Akiles® VersaMac Super Duty Electric Modular Punch with Interchangeable Die Feature

### NEW

- 3-year warranty on machine
- 1-year warranty on dies

With more power and more versatility than any other binding punch in its class, the Akiles® VersaMac is one of the most productive punches on the market today. With a maximum punching capacity of up to 55 sheets at a time, easy-to-use interchangeable die feature, and efficient modular design, Akiles® VersaMac is compatible with commercial volume workloads in all binding styles.

Count on VersaMac's rugged construction to get your job done on-time, especially in critical moments when you can't afford downtime.

VersaMac's modular design and interchangeable die feature means you can expand on your VersaMac's functionality any time by purchasing more accessories and binding modules. This means added value for your existing equipment and a better return on your initial investment.

### More Features

**Industrial-Grade Punch Motor:** Induction AC motor (400 W) with high heat resistant electromagnetic break, for years of trouble-free operation.

**Extra wide 14" Single punching length with Open Ends:** Enables easy punching for Legal size sheets.

**Adjustable Depth Margin:** Sets correct margin depth for each element.

**Interchangeable Die with Fully Disengageable Pins:** Quick and easy die-changeover.

**NEW WARRANTIES:** 3 years on machine | 1 year on dies

**NEW FREE LOANER PROGRAM:** Free loaner machine during warranty period.
