

COIL BINDING SYSTEM 3000

ALL-IN-ONE ELECTRIC COIL BINDING SYSTEM

The Rhin-O-Tuff® Coil Binding System 3000 is the world's first desktop coil binding system that combines electric punching, coil insertion and crimping into a compact, modern design perfect of all office and small print shop environments.

Intuitive controls provide a simple way for today's professionals to turn loose pages into impressive looking documents in three easy steps. The Coil Binding System 3000 is compatible with nearly all brands of coil bindings. It punches, inserts and crimps coil booklets from 6mm to 50MM (440 sheets) without tools or separate machines.

Coil Binding System 3000 UNIQUE FEATURES:

Reliable Power Punching

Punches up to 20 sheets of 20lb. bond with punch button or hands-free foot pedal.

Smart Design

- Full-size, dual coil rollers improve binding efficiency.
- Larger oval punch pins can improve coil insertion time by up to 50%.

Power Crimper

Built-in electric crimper eliminates the need for cumbersome hand crimpers or pliers.

Intuitive Controls

LED panel and controls guide users through the binding process.
