

FOR PRECISION

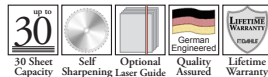

Professionals Choose Dahle

Whether you are trimming a single sheet of paper or a stack of 700, Dahle paper cutters will give you the results you desire. Dahle's precision graduated blades give you the ability shave the tiniest sliver from your paper. Results of this caliber are made possible from over 85 years of cutting and sharpening experience.

Engineered and developed in Germany, the Dahle name is synonymous with quality and innovation. Dahle offers a complete range of paper cutters that exceed even the most serious demands for performance. All products are factory tested to ensure complete satisfaction.
