

## Novus Innovation

Since 1949, the Novus name has been synonymous with quality and innovation. Whether we're developing new technologies, or improving our existing products, we continue to lead the industry in design, performance, and reliability. For commercial applications, Novus Heavy Duty Staplers can staple up to 210 sheets and accommodate a variety of staple lengths.

### NOVUS LONG ARM STAPLER

The Novus B17 Long Arm is a high performance Stapler with an 11 3/4" reach. It features a steel driven stapling mechanism that provides superior performance, strength and durability. The integral

dual guide system ensures the legs of each stapler has even pressure until it clinches your documents.

stapling across large documents, binding booklets, and everyday stapling.

The B17 will produce either a permanent standard clinch, or temporary pin. The aluminum, non slip base ensures your stapler will not budge when stapling across the desk.

**B17**  
Capacity - 40 sheets  
16 1/2" x 2 3/8" x 2 3/4"

This Long Arm stapler features an adjustable depth guide to ensure you staple at the desired depth each and every time. This unique stapler is the ideal device for

Item	Description	Capacity	Throat Depth	Dimensions

### NOVUS HEAVY DUTY STAPLERS

Novus Staplers are the preferred choice among professionals throughout the world. These rugged tools are capable of continually stapling large quantities of paper with minimal effort. Designed and developed in Germany, they are built to last.

Novus Professional Heavy Duty Staplers features an innovative Anti-Blocking System (ABS) which prevents the possibility of a staple jam and having your documents stuck to the stapler. A dual staple guide system further ensures trouble free

performance by providing even pressure on the staple legs until they clinch your documents. An automatic bypass system is standard on most models and provides the convenience of using larger staples on smaller projects.
