

## Onyx Pal-M Piks-A-Lift Module

### PRODUCT DESCRIPTION:

The PAL-M is a manual version of the existing PAL-14. It can be used as a module mounted to an APES or any existing Rhin-O-Tuff vertical punch or even as a standalone machine. The PAL-M will make any operator an experienced operator. The system offers flexibility enough to handle index tabs, clear covers, and oversized covers.

### PRODUCT FEATURES:

- Able to combine with an existing APES-14 attachment.
- Fits on any Vertical OD or HD Series Machine.
- Provides average paper count accuracy of + or - 1 Sheet for Each Lift.
- Variable paper lift thickness.
- Makes any operator experienced at separating paper.
- 1 Year Limited Factory Warranty.

## Onyx Pal-14 Piks-A-Lift Module

### PRODUCT DESCRIPTION:

Attachable to any OD Series or HD Series Rhin-O-Tuff punch or in a stand alone configuration, the Piks-A-Lift will forever change the way your customers look at our competitors automatic punching systems. When used in combination with our APES-14 module, "hands on" punching control virtually eliminates mis-punched sheets, allowing the numbered page jobs usually excluded from automatic punching.

In our initial tests, the Piks-A-Lift /APES-14 combo has outperformed many of the fully automatic punches at less than one-half of their initial cost.

### PRODUCT FEATURES:

- Flexibility to handle index tabs, clear covers, over-sized covers and paper sizes from 8.5 inch x 5.5 inch (140 mm x 140 mm) up to 8.5 inch x 14 inch (355 mm x 355 mm), both in landscape and portrait.
  - Easy to set up and operate, your customers will appreciate unbelievable productivity gains.
  - Variable paper lift thickness.
- Uses paper sizes from 5 ½ inch x 5½ inch (140 mm x 140 mm) up to 8.5 inch x 14 inch (216 mm x 356 mm) legal size including tabs and up to 3 reams at a time.
  - Able to combine with an existing APES-14 Attachment - fits on any Vertical OD or HD Series machine.
- Provides Average Paper Count Accuracy of + or - 1 Sheet for Each Lift.
  - 1 Year Limited Factory Warranty.
